straight

into **STYLE**

The Straight into Style theme feels rich and nostalgic. The material mixes and luxurious structures in the fabrics create a rich feeling. Warm paisley motifs and baroque flower designs should not be missing in this theme, and give the collection a real fall vibe.

the street

STYLE

This theme Street Style is a contrast between fabrics, designs, and colors. Soft materials like faux fur combined with tougher fabrics like corduroy, but also quilted fabrics in new soft pastel colors are a striking mix. The contrast between soft and power give an interesting inspiration to this theme.
